ラングエッジエクスチェンジ

We did a language exchange on Monday 19. 14 people participated and interacted using both English and Japanese with each other. I'm happy that more people joined than last time. Thank you to all those that participated. I would like to plan this again in March and make plans for you to invite your friends next time.

おしょうがつ

Christmas is a big event in Canada, but New Years is a big event in Japan. What do Japanese people do during the New Year? Many people go to a temple and pray for a good year. This is called はつもうで. Many Japanese people eat おせちりょうり, which is a special meal for the New Year. ぞうに, which is a traditional soup for the New Year, is also popular. ぞうに is made with rice cake and vegetables. If you're interested in it, watch this video.
