## はなみ

Cherry blossom season is coming in Japan. Japanese people enjoy はなみ. はな means flower and み means viewing. The flower represents cherry blossoms. Japanese people hold a party under the cherry blossoms with food and drink. Drinking alcohol outside isn't banned in Japan, so you may see people drinking in a park. Japanese really look forward to blooming さくら (cherry blossom). My friends post a lot of photos of さくら on Instagram. They are always stunning. I recommend going to Japan during さくら season, which is from the end of March to the beginning of April (depending on the place.) I took this photo in 2018 →

## ワーキングホリデー

Are you interested in working in Japan? If so, the Working Holiday Program is an excellent choice for you. You can not only stay in Japan but also work in Japan for one year. Working isn't required with the visa, so you can just travel for one year too. If your age is from 18 to 30, you are a Canadian citizen, and have a valid Canadian passport, you may be eligible to apply for the visa. For more information is here.
